The Honorable Kay Granger
Chairwoman
Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Southern Nevada Water Authority's Septic Conversion Program in fiscal year 2024. The entity to receive funding for this project is the Southern Nevada Water Authority (SNWA), located at 1001 S. Valley View Blvd., Las Vegas, NV 89153.

The funding would be used for facilitating the expansion of the Southern Nevada Water Authority's Septic Conversion Program, which would assist more southern Nevada homeowners transition from a septic system to a municipal sewer system.

The project is an appropriate use of taxpayer funds because promoting the voluntary connection to the public sewer system would reduce consumptive use, which is important considering the severe, prolonged drought conditions in the Colorado River Basin.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act (33 U.S.C 1381 et seq.).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Dina Titus".
